# BELT HOLSTERS

These holsters are wet moulded. Each holster style is moulded around the profile of the gun. A style of holster can accommodate for a variety of firearms, ranging from both small, medium and large autos and revolvers. When ordering, please give the make/style of holster you'd like and the make and model of the gun the holster is for.

**101B THUMB BREAK BIKINI WIDE SLOT**

Featuring a wide slot thumbbreak bikini for a 50mm belt.

**101 THUMB BREAK BIKINI**

A low profile design with widely spaced slots pulls pistol close to the body. Adjustable thumbbreak strap. Also available for revolvers.

**102 BIKINI**

Our minimalist holster. Available for all revolvers and autos. Featured here with a belt. Also available for revolvers.

**104 HIRIDER**

High riding holsters to increase concealment. Made with adjustable thumbbreak strap featuring an open bottom.

**110 SHADO**

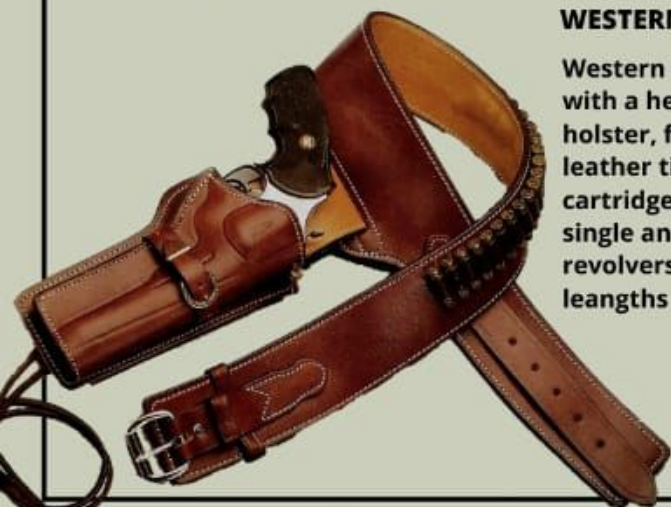

## BEST SELLER!!

Widely spaced slots provide stability and pull the pistol into the body. The thumb strap and closed muzzle provide full protection and maximum retention. Made for revolvers and autos and for belt sizes 40mm and 50mm wide.

**111 AVENGER**

A comfortable quick-draw style holster with a reinforced mouth for easy re-holstering. This holster comes standard with an open bottom.

**195**

## WESTERN RIG

Western styles gun belt with a heavy-duty moulded holster, finished off with leather tie-down and 24 cartridge loops. For all single and double-action revolvers with barrel lengths from 4" and up.

**122 S.O.B.**

Small of the Back. This design allows for excellent concealment.

# INSIDE WAIST BAND HOLSTERS

## BEST SELLER

### 139 SUEDE CLIPON

Designed for maximum comfort and concealment. A clip secures the holster on the belt or trousers inside the waist band on the hip.

### 143 MOULDED CLIPON

Designed for revolvers and automatics. Moulded for precise fit and ease of draw.

### 145 HIDEAWAY

A completely concealed holster. A specially designed clip allows the shirt to be tucked between the holster and trouser giving maximum concealment.

### 144 AMBICOVER

Designed with a steel reinforced holster mouth for a snag free re-holstering operation. This ambidextrous holster can be worn on both the left and right side.

## NEW!!

### S01 SHARK HOLSTER

Designed for extreme comfort and concealment. Durable steel clips allows holster to hug the body and high cut back keeps gun away from the body. Holster is porous to allow leather to breathe and not sweat. Designed with a steel-reinforced holster mouth. Available for all large autos and sub-compact autos.

# ANKLE & THIGH HOLSTERS

### S.A.S

Ideal for combat or security situations. Velcro fasteners and two wide elastic bands secure rig to the leg. Available with a buckle system, additional magazine pouch optional.

## MOST POPULAR

### ANKLE 600D POLYESTER

Synthetic ankle holsters with adjustable straps made for a variety of autos and revolvers.

### ANKLE LEATHER

Moulded to fit a variety of autos and revolvers. Lined with felt. Adjustable thumbbreak safety strap.

# SYNTHETIC HOLSTERS

Holsters made from a heavy-density PX4 close-cell foam that is sandwiched between 2 layers of 600D water and sweat-proof polyester. All holsters have a built in sight track to protect the material from wear and tear.

## BEST SELLER!!

Our most popular synthetic holster! A holster that is 3 in 1. Can be worn on the belt or pants as an IWB holster. Alternatively, worn in the front of the hip. Supported by a 3.5mm cut of full grain leather that secures the synthetic holster and allows for great weight bearing.

### 126 3 WAY HOLSTER

### 126L 3 WAY HOLSTER WITH LASER

### 141 CLIP ON

This inside pants holster is available for both revolver and autos.

## BEST SELLER!!

### 119 SHADO

A hard wearing ambidextrous holster. Adjustable straps will allow a snug fit of most revolvers and automatics. Closed muzzle provides full protection.

### 118 FIELD

This belt holster is available for all revolvers and autos. Comes standard with an adjustable retaining strap and a leather belt loop.

### 157/9 JACKASS

This shoulder holster is designed for comfort and concealment. Velcro straps secure the weapon in the holster. Rig accommodates for 2 magazine pouches. Made for both automatics and revolvers, illustrated here with an automatic.

### 120 BUSHMASTER

This holster has a single magazine pouch attached. A leather belt loop is used to secure the holster tightly to the body.

### 117 BIKINI

A hard wearing holster. Adjustable straps will allow a snug fit of most revolvers and automatics.

# SHOULDER HOLSTERS

159

## 600D POLYESTER JACKASS

Comes standard with a double magazine pouch, fastened with Velcro. Jackass ACP (code 159) and Jackass Revolver (code 157)

160

## 600D POLYESTER SHOULDER

Similar to the Jackass, however the firearm is positioned vertically. Available for autos and revolvers.

151

## COMBI SHOULDER

Shoulder harness detaches easily for use as a hip holster. Safety strap keeps gun in position.

**BEST SELLER**

153

## RANGER SHOULDER AUTO

Fixed rig with downward tilted double magazine pouch and full concealed holster with adjustable thumb break slides.

158

## RANGER SHOULDER REV

This rig carries a holster as well as a six round ammunition slide.

150

## SPECIAL AGENT

Available in small, medium and large sizes. Fitting a large variety of handguns. A dual spring closes the holster firmly around the gun.

156

## SPRINGCLIP

Available for revolvers and autos. Designed for split second action. A sewn-in steel spring holds the handgun firmly, allowing no-snag fast break-out in emergencies. No straps and no flaps.

154

## JACKASS AUTO

Detachable double magazine pouch and thumbbreak style holster. Also available for revolvers.
